Tournament Notes:

First Pitch Baseball will attempt to have separate divisions (AA or AAA/Major) for each age group if there are 6 teams or more in each classification. AAA and Major will be considered one classification and combined. Exception is 16U Champaign Slam - all teams play as one division.

All tournaments are USSSA sanctioned and are State and World Series Qualifiers. To play in the State Tournament you must play in one previous USSSA tournament in your state or participate in a USSSA sanctioned league. To play in a USSSA World Series you must play in the State Tournament in your state. The exception is the Dinger Wood Bat Tournament, which takes place after the State Tournament and during most World Series events.

For USSSA World Series dates and locations, go to www.usssabaseball.org.
